

Promoting entrepreneurship

KAMK • University of Applied Sciences

MAKEA PROJECT

Co-funded by the European Union

Among non-native speakers in Kainuu and Koillismaa

Business Counseling and Guidance for Foreign Entrepreneurs and Aspiring Entrepreneurs in Kainuu and Koillismaa

April 1, 2024 – March 31, 2026

The goal of the project "Promoting Entrepreneurship Skills for Foreigners in Kainuu and Koillismaa" is to enhance the entrepreneurship knowledge of foreigners and to develop counseling and employment services targeted at them in these regions.

MAKEA Project offers:

Up-to-date information on a variety of topics, including taxation, licensing processes, and general entrepreneurship guidance.

Personalized counseling on challenges related to establishing and developing a business.

Networking: we organize and participate in events where you can meet other entrepreneurs and gain valuable contacts.

Mentoring from experienced entrepreneurs.

Succeed as an entrepreneur in Kainuu and Koillismaa.

MAKEA is carried out in collaboration with Kajaani University of Applied Sciences and other local stakeholders to ensure the best support and guidance. Our partners include Naturpolis Oy and all the municipalities in Kainuu and Koillismaa.
